

Lenovo™ ThinkPad T470s

BUSINESS-READY, AND THEN SOME

Powerful performance in a highly durable, portable design – ThinkPad T470s boosts your productivity wherever you go.

Light and thin, the ThinkPad T470s helps you stay productive while you're on the move. Powered by 7th generation Intel® Core™ processors, an all-day battery life, and plenty of RAM, this rugged laptop can entertain on the go too, with a 14" FHD display, webcam, and stereo speakers. All of this, plus the legendary ThinkPad reliability and support.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD T470S

Performance You Can Count On

With responsive, efficient 7th generation Intel® Core™ processors, you can switch effortlessly between your favorite apps – increasing your productivity and enjoyment.

User-Friendly, Business-Friendly

Easy to set up and roll out, the T470s is quick to service, upgrade, and secure. From an everyday user to an IT technician, these business laptops make life (and work) easier for everyone.

Get Closer to the Action

By configuring your T470s with an optional touchscreen, you can interact more with your work—and have more fun during your downtime.

Make Light Work of Long Days

With the T470s you will get up to 10.5 hours of power on a single charge. More than enough to get you through the day or binge-watch your favorite show.

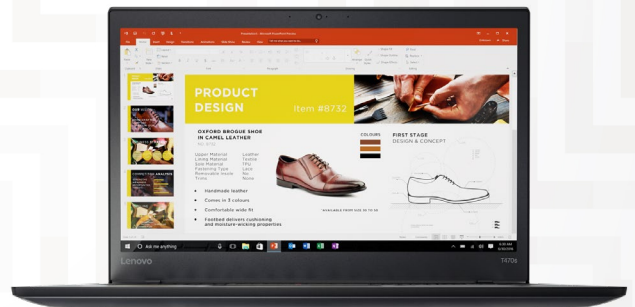

On-the-Go Productivity and Entertainment

Weighing around 1.32 kg / 2.90 lbs and under 19 mm / 0.75" thin, the T470s gives you portability and performance. Ideal for working on the go or kicking back to enjoy a movie.

Stay Connected, Even When You're Not

With super-fast LTE-A (4G) connectivity, the T470s gives you prompt access to all your cloud data and apps—even if you are out of WiFi range.

WHO NEEDS THE LENOVO™ THINKPAD T470S?

- 1** Solutions-focused users who recognise the performance benefits of great graphics and smooth processing – and also demand long-term value.
- 2** Multitasking professionals who expect enterprise standard performance – combined with a highly durable design, built to withstand the rigors of using your T470s while commuting.
- 3** Highly mobile users who regularly work out of office, relying on cloud services and portable devices to simplify productivity – and get the job done.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
